This matter comes before the Court for judicial review of the final decision of the Commissioner of Social Security denying Plaintiff’s application for Supplemental Security Income (“SSI”). In accordance with 28 U.S.C. § 636(b) and Local Rule 73.02, D.S.C., this matter was referred to the United States Magistrate Judge for pretrial handling. The Magistrate Judge issued a Report and Recommendation (R & R) on November 16, 2017, recommending that the decision of the Commissioner be reversed and remanded to the agency because of a failure of the Administrative Law Judge to consider the opinions of a treating specialist physician, Dr. McBurney, in accord with the standards of the Treating Physician Rule. (Dkt. No. 16). The Commissioner has advised the Court that she does not intend to file objections to the R & R. (Dkt. No. 18).

The Court has reviewed the R & R and the record evidence and finds that the Magistrate Judge has ably addressed the factual and legal issues in this matter. Therefore, the Court **ADOPTS** the Report and Recommendation as the order of this Court, **REVERSES** the decision

of the Commissioner pursuant to Sentence Four of 42 U.S.C. § 405(g), and **REMANDS** the matter to the Commissioner for further proceedings consistent with this order.

AND IT IS SO ORDERED.
